SUMMER 2025

## President's Message

Summer is almost here, though it is a bit chilly as I write this article. More neighbors will likely be out walking their dogs, or walking on their own as the weather warms up. Be friendly, introduce yourselves if you see someone you don't know, and wave to neighbors as you drive in and out of our neighborhood.

Summer reminds us to take care of things with our property. Many of you are replacing roofs, painting, keeping your landscaping in good condition, power washing your driveways and sidewalks, patios and decks, and more. Anita Ross keeps a list of vendors who have been recommended by other neighbors for a variety of services. Give her a call or send an email to her for contact information for these service providers, and get in touch with her to add someone you have had good experiences with and she can add those folks to the list. Word of mouth is the best way to grow a business. Check to verify that any vendor you use is bonded, licensed and insured and carries Workers Comp to protect yourself should an issue arise.

## New Neighbors

Welcome to the neighborhood!

James and Annette Kazlauskys  
6080 Nicholas Glen

Carlita Bell  
5986 McNaughten Grove Lane

## SUMMER 2025 P2

### HOA Reminders

#### Power Washing

Buckeye Softwash and possibly other vendors will begin working in our area on or before the second week in June. If you have not yet responded to us to get a quote, please send an email to [mga43213@gmail.com](mailto:mga43213@gmail.com) to let us know if you want a power washing quote.

#### Covenants and Guidelines

Reacquaint yourselves with our covenants and guidelines which are also on the website. Certain things, such as any changes to the exterior of our homes, require board approval. Send an email to: [mga43213@gmail.com](mailto:mga43213@gmail.com) to request an approval form. If you notice that a resident is violating one of our covenants, we have a form for that as well. Use the same email to request the form.

#### Leash Your Dog

Always remember to have your dogs leashed when outside of your home, with the leash held by a responsible person. This is a city law, state law and is also a rule in our covenants. Be sure to clean up any waste from your pet, even if it is in your own yard.

### Neighborhood Garage Sale

#### A Community Affair

Ten McNaughten Grove households participated in the annual neighborhood garage sale on May 16 and May 17. While traffic was lighter than last year, several participating sellers reported being pleased with their results. Thank you to all who participated, whether as customers or sellers.

### MGHOA Board

**President:** Paula Weinstein

**Vice President:** Kate Kimbrough

**Secretary:** Anita Ross

**Treasurer:** Dan Rollins

**Vendor Contracts:** Chuck Carr

**Covenants Chair:** Carol Shkolnik

**Social Committee Chair:** James Thornton

In October, two board members will have fulfilled their term and will be stepping down from our HOA board. Our covenants says we should have a minimum of 5 members, but 7 is a better representation. Serving on the board can be very rewarding, and most of the positions don't require more than a few hours a month of your time. Keep up with what is going on in our wonderful neighborhood and please consider serving on our board. Talk to any board member to volunteer or to get more information about being a board member.

## SUMMER 2025 P3

### Meet Your Neighbors: Robert and Evelyn 6009 NG

Please join us in giving a warm welcome to two wonderful new neighbors—Robert Jennings and Evelyn Robinson—who have just settled into their home at 6009 Nicholas Glen.

Robert, originally from Reno, Nevada, and Evelyn, a proud native of Dixons Mill, Alabama, have been married since 2006. Together, they share a large, loving blended family that includes six adult children, five grandchildren, and an even bigger extended family that keeps life joyful and busy.

Now enjoying their golden years on their own terms, Robert and Evelyn bring rich personal and professional backgrounds to our community. Evelyn is a graduate of The Ohio State University Law School and has had a distinguished career as an executive in the energy sector. Known for her boundless energy, you'll often spot her walking through the neighborhood—sometimes mid-call, always ready with a friendly word. She lives by her favorite motto: "It's all about relationship or it's not about nothing." A woman of deep faith, Evelyn is committed to service and advocacy for those in need. When she's not walking, you might find her on the pickleball court, volunteering, or spending time with friends.

Robert is a graduate of Franklin University, where he studied communications and journalism. He retired as the Director of Public Affairs for the Ohio Department of Health after a three-decade career in federal and state government and currently leads a national association of public health communicators. He is also a proud veteran with 35 years of service in the Ohio Army National Guard, retiring at the rank of Command Sergeant Major. Robert enjoys biking, golfing, sporting clays, and getting his hands dirty in the yard.

Before moving to McNaughten Grove, Robert and Evelyn lived in Reynoldsburg, where they were actively involved in the community. Evelyn served on the city's inaugural Citizens Review Board, while Robert was often engaged in local health advocacy and public policy efforts. Both love traveling to exotic places and are planning a European trip his fall.

They are thrilled to be part of the McNaughten Grove neighborhood and look forward to making new friends and contributing to the vibrant community life here. Be sure to stop by and say hello!
