The board continues to receive complaints about unleashed pit bulls in our neighborhood.

Dan Carpico motioned that the board adopt a new pet policy regarding dangerous breeds being prohibited from the neighborhood. Anita Ross seconded the motion.

President Kate Kimbrough will be discussing the process of implementing this with our lawyers.

There are problems with the online HOA complaint form. In the future, please submit the complaint to a board member or to mga43213@gmail.com mailbox rather than using the online form.

It was reiterated that all electric fences need to be approved by the board before installation.

All complaints from homeowners were discussed. Complaint #251109 has been resolved. Others remain in progress.

The motion to adjourn was made by Kate and seconded by Anita. The meeting adjourned at 602pm.
